ENTRY FORM DEADLINE - Friday, January 25, 2019 by 5:00 pm

DELIVER EXHIBITS TO FAIR - Saturday, February 2 from 10:00 am - 5:00 pm

PICK UP OPENED JARS - Thursday, February 14 after 4:00 pm in Fair Office

PICK UP EXHIBITS - Monday, February 18 from 5:00 pm - 7:00 pm

or Tuesday, February 19 from 5:00 pm - 7:00 pm

1st-3rd place ribbons offered per class.
Best of Division (205-212) - Rosette
Judging ~ Danish System

RULES ~

1. LIMIT: One (1) entry per class.
2. Entries in these divisions must be home prepared and canned by the exhibitor within one (1) year of the opening day of the Cloverdale Citrus Fair.
3. Specify method of canning (see Glossary of Terms below).
4. Tasting of Preserved Foods will be at the judges' discretion. All divisions will be judged on appearance, safety and suitability. All other divisions will be judged on appearance, texture and flavor.
5. Please label jars with name, product and date on bottom.
6. Exhibits must be in standard jars. Two containers of each entry must be brought in; one to be used for judging and one for display during the Cloverdale Citrus Fair.

GLOSSARY OF TERMS:

Hot Pack: Heating of raw food in boiling water or steam and filling it hot into jars.

Cold Pack: Canning procedure in which jars are filled with raw food. "Raw Pack" is the preferred term for describing this practice. "Cold Pack" is often used incorrectly to refer to foods that are open-kettle canned or jars that are heat-processed in boiling water.

Open Kettle Canning: A non-recommended canning method. Food is supposedly adequately heat processed in a covered kettle, and then filled hot and sealed in sterile jars.

Raw Pack: The practice of filling jars with raw, unheated food.

Pickling: The practice of adding enough vinegar or lemon juice to a low-acid food to lower its pH to 4.6 or lower.

ADULT PRESERVED FOODS (continued)

Jelly: is made from strained fruit juice. The product is clear and firm enough to hold its shape when turned out of the container, yet soft enough to spread.

Jam: is made from crushed or ground fruit and tends to hold its shape but is generally less firm than jelly.

Butters: are made by cooking fruit pulp and sugar until thick enough to spread easily.

Conserves: are jams made from a mixture of fruits, usually including citrus fruit; often raisins and nuts are added.

Marmalade: is a tender jelly with small pieces of citrus fruit or citrus peel distributed evenly throughout.

Preserves: are whole fruits or large pieces of fruit in thick syrup, often slightly jellied.

DIVISION 205 ~ VEGETABLES

CLASS ~

1. Beans (describe)
2. Corn (describe)
3. Tomatoes (describe)
4. Any other (describe)
