BOSB, BOV	1	Brundage	Stephanie	83	OR-1	WICKEDSHARP	B	SR	This buck has great type, I do wish his ears where a little rounder at the tips. Really nice eye, and great head. He starts well at the shoulders and round well to the table. His colors seems to either be sun burnt or he is a seal. So fair color.
BOB,BOV	1	Brundage	Stephanie	83	OR-2	IMPOSTERSHADY	D	SR	This doe is a very typey doe, she has a good head and ear. She starts well at the shoulders and has a smooth transition from loin to hindquarters. She has great color and well finished.
California - 1 Entry									
BOB	1	Zeni	Jane	88	OR-1	SPIKE	D	Intermediate	This rabbit has a good head and ear, she has a good start to the shoulder, but then peaks too far forward in the center of her back and the slopes off in her hindquarters. I would like to see a wider loin to balance with the depth the rabbit has.
