Dear Fair Supporter,

The Cloverdale Citrus Fair, is planning a terrific 2020 Fair and Cloverdale Cabaret Players production! The Cabaret theme is "That's Entertainment". Guests will be transported to the bright lights of Hollywood for a tribute to film, theater and music. An incredibly talented cast has been assembled and is rehearsing to a set list that includes songs from Footloose, Bohemian Rhapsody, Fresh Prince of Bel Air and Top Gun.

We are offering three performances of "Hideaway at the Cabaret" during the Citrus Fair on Thursday, February 13, Saturday, February 15 and Sunday, February 16. Tickets for the show will go on sale December 1 and are limited. Tickets include a reserved seat and catered dinner.

Your support is appreciated as we continue to build a tremendous show. Sponsorships assist with set décor, props, lighting, sound and costumes. Supporters of this show receive:

- Sponsor acknowledgement in the printed Show Program
- Inclusion on Sponsor Signage in the Auditorium during Cabaret shows and throughout the Fair
- Recognition on the Cloverdale Citrus Fair website leading up to and during the Fair
- Inclusion in social media posts and e-blasts to guests and fairgoers
- "Director" level sponsor will receive naming recognition as title sponsor of the event and a custom photo backdrop where guests will pose for photos on the "Red Carpet".
