Youth Floriculture & Horticulture - Youth Cut Flowers	1st	Shelby Johnson	Single Stem - Double Bloom Light Pink Camellia	
Youth Hobbies & Collections	2nd	Freddie Scott	Hot Wheels	

Youth Hobbies & Collections	1st	Gabriel da Silva	This is my collection of Petrified wood. This is my second year of a 4-H Geology Project. I really like the tumbled or polished petrified wood, because it allows me to see the rings and see the colors clearly. I also like the unpolished and untumbled petrified wood because of the texture of the pieces of wood.	
Youth Hobbies & Collections	2nd	David Collin	DIVISION 320 ~ HOBBIES CLASS ~5. Lego's (Kit) -The transport ship can hold troops and supplies and has a spot for a droid or pilot to fly it. It is a set	
Youth Hobbies & Collections	1st	David Collin	DIVISION 320 ~ HOBBIES CLASS ~ 6. Lego's (Original design) -This is a futuristic star wars(ish) war base. There is a turret, satellite dish and antennae on top of it and inside is a control panel and energy canister. -There is a walker with a driver seat and a gunner seat in the body of it. It can hold a few troops on the platform. And it is free built. -The fighter plane has a x-wing function where the bottom part of the wing folds down. It has laser cannons at the ends of the wings. It is free built - The LT-T or Land troop transport has for weapons a long range laser cannon and it holds troops. It is free built. -The land speeder is free built and I tried to make it attach to the walker but it didn't work. Can hold 3 troops	
Youth Hobbies & Collections	1st	Freddie Scott	LEGO Police Station with helicopter and transport	

Youth Hobbies & Collections	2nd	Temple West	Hobbies: Lego's Star Wars Mock	
Youth Educational Posters	1st	Wilder Larrain	This is an entry for educational posters. It is for Division 33 -Class 4 Any. It is an educational poster displaying plant and animal cells.	Loved this one. Lots of information. Very inventive.
Youth Educational Posters	1st	Wilder Larrain	This entry is for Division 330 Class 4 Any Other-The Ecosystem of the Mongolian Wild Horse This is an educational poster about the ecosystem of the Mongolian Wild Horse.	Very creative. Would like to have had a little more description of how the whole chain worked.
Youth Educational Posters	2nd	Gabriel da Silva	This poster describes the process of fostering a bottle-fed kitten. During Covid, my family started fostering kittens through No Kitten Left Behind in Lafayette, California and Animal Rescue of Tracy in Tracy, California. We ended up adopting our most recent foster kitten, Snickers. Fostering kittens isn't as difficult as some people say, and I highly recommend fostering kittens.	Would have loved to have seen more personalized pictures and wording.
Youth Floriculture & Horticulture -Youth Citrus Fruits	1st	Abigail Way	Medium Navel oranges. Grown in Santa Rosa.	Ate the whole thing. Delicious. Beautiful fruit.
Youth Floriculture & Horticulture -Youth Citrus Fruits	1st	Abigail Way	Original Meyer Lemons. They were planted by my Great Grandparents. It is over sixty years old.	Very pretty. Amazing smell and taste.
Youth Floriculture & Horticulture -Youth Citrus Fruits	N/S	Gracie Ascoop	Homegrown Lemons	
Youth Floriculture & Horticulture -Youth Citrus Fruits	N/S	Gracie Ascoop	Homegrown Navel Oranges	
Youth Floriculture & Horticulture -Youth Citrus Fruits	N/S	Shelby Johnson	Homegrown Lemons	
Youth Floriculture & Horticulture -Youth Citrus Fruits	N/S	Shelby Johnson	Homegrown Navel Oranges
